US Advice to set up TRA

2414. MISS SAROJ KHAPARDE: Will the Minister of COMMUNICATIONS be pleased to state:

(a) whether it is a fact that the US Government have recently asked the Government of India to set up a fully independent regulatory authority on the Telecommunications Sector;

(b) if so, the details thereof; and

(c) what is the reaction of Government in the matter?

THE MINISTER OF STATE OF THE MINISTRY OF COMMUNICATIONS (SHRI SUKH RAM): (a) It is the Government of India's own decision to constitute a Telecom Regulatory Authority in order to ensure that a level playing field is available to all private sector operators in the field of basic and value added services. For this purpose different models as obtaining in other countries are been studied and suggestions from a number of other countries including the USA are also being examined.

(b) and (c) The proposal to set up a Telecom Regulatory Authority is still at formulation stage and further details are being worked out.

Telephone Exchanges in Rural Areas

2415. SHRI BHUPINDER SINGH MANN: Will the Minister of COMMUNICATIONS be pleased to state:

(a) the details of telephone exchanges in rural areas; State-wise;

(b) how many of these exchanges are electronic exchanges; and

(c) by when all the exchanges will be made electronic in the rural areas?

THE MINISTER OF STATE OF THE MINISTRY OF COMMUNICATIONS (SHRI SUKH RAM): (a) and (b) The status as on 28.2.1995 is attached as Statement (*See* below)

(c) The objectives of 8th five year plan of the department of telecommunications envisage replacement of all strowger MAX-III and line finder type MAX-II exchanges by electronic exchanges by 31st March, 1997. However efforts are being made to replace all remaining Electro-mechanical exchanges by electronic exchanges in rural areas by 31st March, 1997.

Statement

Financial Crunch in DOT

2416. DR. NAUNIHAL SINGH: Will the Minister of COMMUNICATIONS be pleased to state:

(a) whether it is a fact that DOT is likely to fall woefully short of its target of providing three million new telephone lines during the current financial year;

(b) if so, cogent reasons for such a failure;

(c) whether it is also a fact that the DOT is facing a financial crunch and lacks resources for expansion; and

(d) if so, the reasons therefor and steps taken in this regard?
